## CITY OF WEYBURN MAP

# Welcome

Weyburn is known as the "Opportunity City" for various reasons. As one of the fastest growing communities in Saskatchewan, Weyburn is recognized as one of the more desirable places to live and work. Weyburn is a dynamic community with a long history of dedication to providing an exceptional quality of life for residents.

Quality of public spaces and build environments is well known to have a direct impact on people's lives and the way they feel. Weyburn is well known as one of the cleanest, most attractive communities in the province. Its enviable character is intrinsically linked to its natural surrounds. Care is taken to ensure that the city is well maintained and is a natural extension of its surrounds. High quality public parks and green spaces, create a clean healthy environment. Residents also enjoy beautiful rural surroundings including lakes, parks, and connection to the agricultural lifestyles.

In the heart of the Canadian Prairies, Weyburn has access to over 2 million people within 500 kms and approximately 5 million people within a ten-hour drive. Weyburn is located 116 kms from Regina, and less than a 10 hour drive from Calgary, Edmonton, and Winnipeg. A four-direction regional airport is just 10 minutes north of Weyburn, including a 4,000' x 125' runway.

We welcome you to join our city to host your next conference, AGM or event. In this brochure we have featured our high quality venues and services that will help make your event in our city a success. Feel free to contact us to assist you in your plans.

Sincerely,

Monica Osborn  
Executive Director
